Olivia Palermo is no stranger to the world of fashion. When we first met her, she was **Whitney Port's** frenemy on **The City**. Since then she has proved to us that she's more

than just another reality show alumni from **MTV**. She is a socialite, an actress and a fashion icon. She has appeared in campaign after campaign and we can't stop drooling over her equally as gorgeous beau.

Now she is seen in the September issue of **Voque Girl Korea**. With outfits designed by **Jill Stuart**, including a gorgeous array of her bags, Palermo masters on-the-go style. Staying true to Palermo's feminine style, **Eric Guillemain** captures her in pleated skirts, tailored coats, classic prints and more for this effortless shoot. If only getting ready was this easy for all of us.

I believe when you're pretty on the inside, you're pretty on the outside but you can't beat that perfect shade of lipstick and eyelashes as big as your dreams.
